Dubai Creek is an integral part of the city's history. It divides the city into two sections, Bur Dubai and Deira. Both the sides of the Dubai Creek boasts of some of the best exquisite buildings of the city. Therefore, a trip to the Creek is a must. However, rather than walking on the coast, go on a dhow cruise to turn your sightseeing into a unique experience. The dhow is a traditional Bedouin boat that was used for trade and transportation. Today, these dhows have been converted into restaurants that have a lower (air-conditioned) and upper (open-air) decks. You are offered a welcome drink on arrival and are also served delicious barbecued dishes once the dhow sets on sail. (Dinner)
